BRIEF ABSTRACT OF LETTER.

Requests, for reasons given, that the Girls' School building in the old Cutchery Road may be made available for holding the Chowk Police station, Bangalore city

NOTES AND ORDERS.

C.

The I.G. states that for want of a suitable Govt building, Chowk Police Station in the B.C. city is at present located in a small shop belonging to one Mr. Sidal Basappa of Akkipet on a rent of Rs 30/- p. mensem since September 1909.

The I.G. states that the Deputy Comm., Bangalore city has intimated

Serial No.

for orders his petitions from the Owner stating that the rent of the building should be paid at Rs 60/- from 1-1-19 or else the building should be vacated.

The S.S. further states that the present building is most unsuitable for the purposes of a police station firstly because there are no separate lock-ups for keeping male and female prisoners apart 2ndly because there is no space for keeping the kit boxes of the Constables, 3rdly because there is no facility for making enquiries into Cases without being heard by passers-by in the road or by other prisoners in the lock-up and lastly because there is no standing place for the Constables in or near the station when they muster for roll call.

The S.S. therefore suggests that the Girls' school now in Chickpet is a fit place for locating the station as it is centrally situated and there is sufficient space to construct a fine building for the station. and if this is not possible requests sanction for the payment of increased rent from Rs 30/- to Rs 60/- from 1-1-19 to the Owner of the present building.

D. The S.S. has forwarded in his letter No 1354-126 of 16/8.S.16 that certain sites may might be acquired for the Chowkpet Police Station or that the Girls' school in Chickpet might be made available for the purpose. But the idea of acquiring certain sites for the purpose was abandoned as the cost of acquisition was estimated to be Rs 39000

Dated Bangalore, 2nd April 1919.

DAK No.

From

Mir Hamza Husein Esqr., B.A., B.L.,
Offg. Inspector General of Police in Mysore.

To

C. S. Balasundaram Iyer Esqr., B.A.,
Chief Secretary to the Government of
His Highness the Maharaja of Mysore.

Sir,

In continuation of this office No.1328/88 dated 30-8-1917 re: the construction of a building for the Chowk Police Station, I have the honor to state that for want of a suitable Government building, the Chowk Police station in the Bangalore City is at present located in a small shop belonging to one Mr. Sidal Basappa of Attibele on a rent of Rs. 30/- per mensem since September 1909 as per Government Order No. J. 677-8/Pol. 43-09-2 dated 4-9-1909. It is not suited for the purpose.

In this building, there are no separate lock-ups for keeping male and female prisoners apart and there is no space for keeping the kit boxes of the constables. There is, besides, no facility for making enquiries into cases, without being heard by passers-by in the road or by other prisoners in the lock-up.

This is one of the most important stations of the City with the largest number of constables attached to it. When the constables muster for roll call, there is no standing place for them in or near the station. The work of the station thus suffers very much for want of sufficient accommodation. Being in the centre of the Doddapet where traffic is very heavy, the station should be located near

the Chowk, but no other convenient building in this locality is available for this purpose even for a higher rent.

The Deputy Commissioner, Bangalore District, with his letter No. 960/I dated 22-3-1919 submitted for orders, a petition from the owner Mr. Sidal Basappa demanding an increase of rent from Rs. 30/- to Rs. 60/- on the ground that the Municipality have raised the assessment on the building. With his letter No. 1010/I dated 28-3-19 he has also submitted for orders, another petition dated 19-3-1919 from the owner stating that the rent of the building should be paid at Rs. 60/- from 1-1-1919 or else the building should be vacated

The Superintendent of Police, suggests that the Girl's school building in Chikpet adjoining Ahmed Buildings is a fit place for locating the station as it is centrally situated and there is sufficient space to construct a fine building for the station. I concur with his opinion, as buildings cannot be acquired except at exorbitant rates in this locality.

I request that you will be so good as to obtain early sanction of Government for shifting the station from the present building to the Girl's school building and if this is not feasible, for the payment of increased rent from Rs. 30/- to Rs. 60/- from 1-1-1919 to Mr. Sidal Basappa for the occupation of the present building. I would also request your attention to correspondence ending with this office No.1328/88 dated 30-8-1917 proposing the acquisition of certain properties and that sanction may be accorded for the acquisition of the school building cannot be had.

SIR,

With reference to your letter No. 10741/Edn. 156-18-48 dated 3rd May 1919, calling for my views as to whether the site and buildings occupied by the Primary Girls' School at Chikpet, Bangalore City, may be handed over to the Police Department, I have the honor to state that it is regretted that the site and building cannot be spared as they are indispensable for the use of the Kannada Girls' School and Kannada classes of the Commercial High School, both of which are important thriving institutions requiring increased accommodation year by year.

Sir,

In continuation of ~~this~~ my letter No.7022/498 dated 5-4-191 about the location of Chowk station, Bangalore City, I have the honor to state that the landlord has now issued a notice for quitting the premises in a month. As the subject of a suitable building for the Chowk station is referred to in the discussions about the Budget at this year's April Session of the Representative Assembly, I looked into the file and orally consulted the Inspector General of Education. The School building referred to will not be vacant and cannot be handed over to the Police. There does not appear to be any remedy except to acquire some houses and convert them to a Police station. I find from this office file that proposals have been made but the idea was abandoned as the cost of acquisition is estimated at the prohibitive figure of about Rs.39,000/-. If houses in Doddapet or Chickpet behind the front row are selected the cost is not likely to be prohibitive. This is a matter to be settled after inspection.

In the mean time the enhanced rent demanded might be paid the charges being met from savings this year.

Very early orders are solicited.

I have the honor to be,
Sir,
Your most obedient servant,

Offg. Inspector General of Police.
